

Playhouse Theatre Group, Inc. presents

Improvisation Workshops with Artist in Residence Rich Hollman - starring in The Mystery of Irma Vep at Playhouse on Park

These workshops will focus on the fundamentals of long form improvisation. During the two hours, students will do warm-ups, exercises and scene work that emphasize an external focus, a sense of play, getting out necessary information at the top of scenes and quickly identifying the emotional dynamic. Most of all, we will have fun! Students must have some improvisation and/or acting experience. Class size is limited to 16 students per class; \$45 per student. Advanced registration required.
